Autumn Term

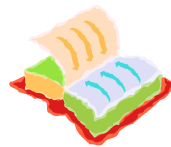

Friday 24th
October

Half Term Holiday

We break up tonight for our half term holiday, the children have definitely seemed tired this week and in need of a break. I hope you get the chance to relax and to spend some time together.

Open Evening

It was lovely to see so many parents in school this week during our open nights.

If you were unable to meet with your child's class teacher and would like to meet with them after half term then please contact school to arrange a convenient time.

Lost property

It would appear that several items of named clothing have ended up at the wrong homes. We would ask that you check your child's clothing carefully and return any stray items to school so that we can return them to their rightful owners.

Girls Football

Well done to the Girls football team who played last night in the cold and wind last night. It was their first ever match and they were playing against an established girls football team. Despite this they played very well and were a credit to the school. We wish them all good luck in their future games.

Halloween

Along with Nottinghamshire Police we are encouraging our children not to go Trick or Treating. It is suggested that if you wish to undertake this activity that you only visit people that you know and that children are accompanied by an adult. It would be nice to know that the good work that we do in building positive relationships within the community is not spoilt by silly behaviour at this time of year. Our Local Community Support Police Officer has been in school this week talking to the children about the dangers of Trick or Treating.

Parent Governor Nominations

Nominations for Parent Governors closed at 10.00am today and we were delighted to have 5 nominations for the 3 vacancies. This means that we will now need to hold an election. Ballot papers are being prepared as I write and these will come home, along with complete instructions, after half term. A big thank you to those parents who have applied for this role in supporting the work of the school.

Monday 3rd November

Friends of Westdale

The Friends of Westdale have asked me to mention that there will be a meeting in school on Friday 7th November at 3.30pm. All are welcome to attend. They are planning to discuss the Christmas Fair. This event raised over £500 last year which was used to help build the willow tunnel on the playground.

Many thanks for taking the time to read this newsletter. Have a lovely half term break.
