Spring Term 5

Friday 3rd April  
2009

### End of Term

Tonight we break up for our Easter holidays after an incredibly busy term. I hope that you all have a good holiday and we look forward to seeing you back in school on **Monday 20th**

**April** at the normal school time.

### Rail Safety

We have been informed by the British Transport Police that they have caught children from our school trespassing on the railway lines around the local area.

This is a potentially deadly pastime and we would urge all parents to stress the dangers of this to their child. We have already spoken to some year groups and will continue to warn children of the dangers through assemblies and road safety activities.

### Parent Governor Meeting

You should have had a letter inviting you to the informal Parent Governor meeting on April 23rd at 6.30pm in the school hall. If you have not and would like details they are available from school.

### Absence

The Educational Welfare Officer (EWO) has been inspecting the registers this week. They will be contacting parents after Easter about children they are concerned about.

All parents will receive their child's percentage attendance to date after Easter.

### Year 3 and 4 Production

A very big thank you to everybody who came to support our Year 3 and Year 4 children on Wednesday afternoon and Thursday Evening.

It was wonderful to see so many parents, carers and other family members enjoying the acting and singing.

The children have grown in confidence through each performance and this has really shown in their performances

As always the children were fantastic and really enjoyed taking part in the show.

Well done everyone.

### Girls and Boys Football

Well done and thank you to all the children who have played and their supporters.

We have had a rash of games over the last couple of weeks, kits have been washed, dried and returned in record time and children have been driven all over the area to play their matches.

Unfortunately we haven't won a match yet, girls or boys. But we have come very close and I am told that it won't be long before we get a win.

Thank you once again to all the children who have taken part and their very supportive parents.
