Summer Term 3

Friday 15th May

OFSTED

We have now received the full OFSTED report into school and are sending it home with your child tonight. If you do not receive a copy then please contact school, so that we can supply you with one.

SATs

Well done to everyone in Year 6. We are really proud of how hard they have worked this week during their tests. The papers have now been packed, sent off for marking and the results will hopefully be with us in early July.

Email Newsletter Trial

If you are interested in receiving the newsletter in our trial this term, then please send me an email to Head@westdale-jun.notts.sch.uk with Newsletter in the subject line and we will have a go at sending the newsletter electronically.

Snack on Monday

As a result of the activities taking place in school on Monday, the kitchen will be unable to sell morning snacks. Children will however still be able to bring their own healthy snack which they will be able to eat at morning break.

Arts Week

Next week is Arts Week in school and we have planned an action packed week. We have managed to secure some funds through our fundraising earlier in the year and from an external source. As a result we are only asking you to pay for the French breakfast on Friday, should you wish to join us for that.

On Monday, we have a theatre company coming into school to deliver a play based on a Greek Myth and then to work with Year 5 to enrich their Greek topic.

Tuesday and Wednesday see the children working on class based activities.

On **Thursday**, all children will be involved in an African drumming workshop at some point during the day. As part of this we have been asked to ensure that all children wear **long trousers** for this activity.

Finally, Friday is our International Day, with a host of activities taking place, including an Italian Dance session.

This will lead us up nicely to our half term holiday from Monday 25th May to Friday 29th May.
