## Newsletter

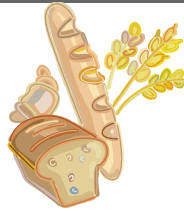

Autumn Term

Friday 16th  
October

### Harvest

Thank you to all those parents and carers who helped support their children at our Harvest Celebration last week.

I think you will agree that all the children were fantastic and gave some interesting observations about Harvest.

### Book Fair

The Book Fair will be in school next week. It will be open on Monday, Thursday and Friday until 4pm and throughout Parents Evenings. This is one of our fundraising events for this term and all money raised will go towards buying new books for our library. Last year we were able to purchase around £700's worth of books for school.

Your child will be coming home with a leaflet, showing some of the books available and giving information on methods of purchasing books. We hope that you will come along and take a look. If any one is able to spend some time manning the book fair, please let Mrs Stones know in the office.

### Parents Evening

As you should already be aware Parents Evenings are on Tuesday and Wednesday next week and we look forward to welcoming you in to school.

If you have not already sent in your request for a time then please do so as soon as possible.

### Y6 Caythorpe Residential

The Year 6 Residential is rapidly approaching and we are busy filling out forms and choosing activities.

We have decided to hold a short meeting for all the parents of those children going on the Caythorpe Residential on

**Wednesday 21st October at 6pm after Parents Evening** in the school hall. To enable us to give you information and for you to ask any questions.

If you are unable to attend please let the school office know so that we can ensure you receive the information.

### Football Match

The school football team played their first match of the season on Monday and I am pleased to say that they won. Well done to all the children who took part and competed in a very sporting manner.

### History Days

We have been very busy over the last few days as all children in school have been involved in a variety of History activities. Children have been finding out about different things including the Great Fire of London and Guy Fawkes.

We hope that the children have enjoyed these activities and that you have enjoyed hearing about them at home.
